From the PTA Board

Another month, another letter from the President. Well…not exactly. This month it’s a board note. First and foremost, we would like to thank all of our volunteers for the many wonderful ways they helped our school this month. We had volunteers working in classrooms, in the library and with Project Based Learning groups. Others handled Kindergarten Registration, helped at the Book Fair, planned a staff luncheon during Parent/Teacher conferences, organized a Father-Daughter Dance and worked Market Day pick-up. Just to name a few. Additionally, we had parents, kids and staff packing boxes of donated items for our troops as well as donating funds for shipping those boxes. Our Nash Family rocks!!!!

While the doldrums of a typical February flew by due to the “flurry” of activity, there is more action on the way. Some of our upcoming events over the next few months include: a Mother-Son night out, a multi-cultural night, a science fair, a choir concert, a golf outing to benefit our playground fund and our “Original Works” program. It seems we’re busier than ever.

Remember, it is never too late to become involved with the PTA. Our next meeting is Tuesday, March 4th at 6:30 pm in the Nash library. We would love it if you would join us.

Sincerely,

Diann, Elizabeth, Regina and Lori
Thank You!!!!

Thanks to Mrs. Clark and the wonderful Nash moms who helped organize our first Nash Father-Daughter Dinner Dance at Bristol Oaks. What a special night it turned out to be for all of our Nash men and their little girls! Had we danced any harder, I’m afraid we would have instantly joined the downstairs party. That dance floor was bouncing! After a night filled with dinner, laughter and dancing, our bellies were full, our shirts were soaked, and our hearts were touched. Thank you ladies!

Thank you to Mrs. Brunner and all of our excellent parents who helped with our Nash February Book Fair. Our book fair proved to be a terrific way to promote reading while raising money for our PTA. This was over a weeklong volunteering commitment for Mrs. Brunner, and many others contributed so much time and effort. We sincerely appreciate your hard work, and please know that our children have benefited greatly.

Thank you to Mrs. Burrell and her amazing team of parent volunteers who once again provided our staff with a delicious meal during Parent-Teacher Conferences. Your generosity is truly appreciated.

Parent/Teacher Conferences

Thanks to all who attended our February Parent-Teacher Conferences. It is our hope that by holding our second round of conferences in February, we will have given parents a greater opportunity to become actively involved in supporting our students in need of academic improvement plans. This should result in greater student performance during both the third and fourth quarters of the school year. We thank you for your on-going nightly homework and reading support!

Summer School

The dates for Summer School 2008 are Wednesday, June 18 thru Thursday, July 31st. School will be in session Monday through Thursday of each week using two daily class periods; period #1 from 8:00 a.m. to 10:00 a.m., and period 2 from 10:00 a.m. to 12:00 p.m. Remedial reading and math classes will be offered for students who are required or recommended to attend summer school classes based on their WKCE scores. Students scoring at the 30th percentile or lower in the areas of reading and/or math will be required to attend summer school unless, after examining classroom test data, teachers determine their test score did not reflect their end of year academic level of functioning. Students scoring between the 31st and 40th percentiles will be recommended to attend. Currently, we anticipate Getting Ready for Kindergarten, Getting Ready for First Grade and Literacy Enrichment courses will also be offered for students in grades one thru five. These will be two-hour per day enrichment courses during which students will incorporate skills such as reading, writing, research, art, and computers into theme-based units of study. For enrichment courses, students will be enrolled on a first come first serve basis.

Summer School registration will begin during the Month of April.
PARKING LOT SAFETY

I know we can all agree that the safety of our precious children must remain the number one priority of our Nash Family. Lately, I’m sad to report, we’ve seen some members of our Nash Family engaging in morning and afternoon vehicular driving behaviors that have seriously compromised the safety of our children. In an effort to address this issue immediately, I have solicited the help of our Kenosha Police Department, Transportation Director, and concerned Nash Parents. We are in the process of analyzing our drop-off and pick-up systems and making recommendations leading towards a safer situation. At this time, I’d like you to consider the following:

• PICKING UP AND DROPPING OFF STUDENTS AT THE NORTH CIRCULAR DRIVE IS PROHIBITED. That is our BUS area. It is essential that busses are able to navigate freely thought the North semi-circular drive and have free access to the student loading and exiting point. This becomes impossible when automobiles and trucks are parked in the North circular drive. As additional vehicles have chosen to do this, it has become increasingly hazardous, especially in poor weather conditions.

• Secondly, DROPPING STUDENTS OFF AT ANY SPOT OTHER THAN THE FRONT CURB/SIDEWALK ADJACENT TO OUR SOUTH SEMI-CIRCULAR DRIVE IS PROHIBITED. Recently, we have had a number of students exiting their vehicles in the middle of the road. That is a tragedy waiting to happen. PLEASE DO NOT ALLOW YOUR CHILDREN TO EXIT YOUR VEHICLES IN THE MIDDLE OF THE ROAD OR ON THE ROAD SIDE OF YOUR VEHICLE.

• We have a large semicircular drive outside our main south entrance, and I encourage parents to use the entire curb area for dropping off students. If students only exit near our grades 2-5 line-up areas the amount of time it takes for students to exit vehicles increases dramatically. If parents pull ahead, their 2nd -5th graders may exit near the main doors or K-1 area and walk along the front sidewalk around to the grades 2-5 line up areas.

• We ask that parents are courteous and take turns entering the driveway. Also, pay special attention to students crossing the driveway. Your patience and attentiveness will save lives. If you chose to drive your children to school in the morning, we appreciate your patience in complying with the safety regulations that we have established. With over 600 students attending Nash, it is of paramount importance that parents understand the drop off and pick up procedures will take time and patience is a must.

• Please keep in mind that the reason our rules are in place is because we care deeply for our children and are committed to seeing to it that they remain safe. We appreciate your cooperation and understanding. Finally, remember that choosing to walk or carpool are two great ways for us to cut down on morning traffic congestion and decrease morning drop off and pick up times!

Attention: Parents of 5th Graders Attending Mahone Next Year!

Mahone Middle School’s open house for in-coming sixth grade students will take place in the Mahone auditorium on Monday, March 3rd from 7:00 p.m. to 8:30 p.m. During the meeting, parents will be informed of the middle school house structure, registration process, and program of study. Parents are strongly encouraged to attend.
Kindergarten Registrations

Kindergarten registrations took place throughout the afternoons of February parent teacher conferences. They will continue through the end of the school year. However, we encourage parents to register their in-coming kindergarteners as soon as possible. Students registering for 2008-09 Kindergarten must be 5 by September 1st. If they turn 5 between September 1st and September 30th, they may be eligible for early entrance to Kindergarten and can be screened. For more information on early entrance into Kindergarten, call our main office at 925-1501. Students who turn 5 after October 1st cannot be screened.

Project Based Learning

I am happy to report that we are beginning to enjoy some of the fruits of our 4th and 5th grade project based learning groups. We congratulate Mrs. Rover, Mrs. Yorgensen and our 4th and 5th grade students who recently entertained our school with a wonderfully done performance of the musical "Pets." The talent displayed by our students was inspiring!

I also invite you to go to www.kusd.edu and go to schools where you can scroll down to Nash. Our school "Web Geeks," have improved our school website dramatically. This is a work in progress that will continue to evolve and improve. Congratulations to Mrs. Enwright, Mr. Rogahn, Mr. Dummer, and the 4th and 5th grade students who are doing such a great job with that.

Soon, you will be able to order merchandise from Mr. LaLonde's Nash Marketing Group through our Nash Website!

Mr. Folland along with parents Mr. Sack and Mr. Lowe have produced a Nash School Newspaper loaded with informative and entertaining information. These are just three of many great things that are taking place during project based learning. The more we delve into our Project Based activities, the more we become excited over the endless possibilities! We look forward to sharing more exciting fruits of our labors in the future.

Very Cool Ideas for the Month of May

Recently, you were provided with an invitation to provide a favorite recipe for our soon to be published Nash Family Cookbook. I encourage you to PLEASE CONTRIBUTE A RECIPE! During the month of May we will be host an evening celebrating our wonderful and rich multicultural Nash School Family. During this night, we would like parents to each prepare the recipe they included in our Nash Family Cookbook and together we’ll enjoy a fabulous multicultural pot luck dinner! We’re hoping the cookbooks will be published by then so that parents can carry them home from our dinner. This promises to be a great evening and wonderful cookbook!

On Saturday, May 10th our Nash Family will host a golf outing at Bristol Oaks Country Club. Currently, it looks like we’ll have a shotgun tee off at 12:30 p.m., and a dinner will follow the golf. We are looking for people and/or businesses to sponsor holes and contribute items to be auctioned. Please look for more information to follow on this great event. It promises to be another great experience for our Nash School Family.
Childhood Obesity

Over the past two decades, the number of overweight children and teens in the United States has nearly doubled (National Center for Health Statistics). This can lead to an increased risk of cardiovascular disease, diabetes and other serious health conditions. By calculating a person's Body Mass Index (BMI), you can determine if a child/teen/adult is overweight. It is a calculation between height, weight and age (for children). Go to www.cdc.gov and search for BMI calculator to determine your family members' risk.

There are several factors that contribute to the growing problem of obesity in our nation. Over the past two decades, children's daily consumption of calories has increased. Some of the reasons for this are:

- An increase in food choices
  - Prepackaged foods
  - Fast food restaurants
- Increased consumption of soft drinks
- Increase in portion sizes
- Recent research suggests friends or family who are overweight may be a risk factor for their family or friends to be overweight.

In addition to children's increased consumption of calories, the calories they use on a daily basis have decreased. This is seen because of a decrease in daily physical activity.

As parents and educators, we can help decrease the number of overweight children and teens in the United States by:

- Increasing your family's daily physical activity
- Decrease time watching TV and playing computer games
- Encourage children to eat 5 fruits/vegetables a day
- Decrease the amount of soft drinks children drink
- Increase the amount of water/milk children drink
- Read labels for nutritional information

There may be other factors such as illness, medication and/or psychological factors that may contribute to weight gain - please consult your child's physician for further information.
Another Successful Box Tops Collection!

The Nash family brought in over $860 worth of Box Tops during the second collection period!!!!

Mrs. Enwright’s class alone, sent in 2,635 – that’s worth $263.50. Our top three classrooms will be rewarded with an ice cream party at their convenience. They are:

1st Place: Mrs. Enwright’s 4th grade class
2nd Place: Mrs. Menke’s 1st grade class
3rd Place: Mrs. Smith’s Kindergarten class.

Thank you to everyone that sent in Box Tops!

Keep on sending in those Box Tops! You can attach them to the collection sheets or send them in loose. Don’t forget to ask relatives, friends, and neighbors to collect box tops and send them your way. It’s Free Money!!

CASH FOR NASH
EASY WAYS TO HELP AT HOME

Please save and send to school:

- Box Tops for Education
- Campbell’s Labels for Education
- Tyson Food Labels

Milk Moola, Kemps, Swiss Valley Farms, Foremost Farms, Golden Guernsey, Morning Glory, & Milk Moola & Donuts to Dough

Ink cartridges and old cell phones

BOX TOPS FOR EDUCATION

Thanks to school supporters like you, we’ve raised over $1,700 through the Box Tops for Education program! With your continued help, we can reach and even surpass our goal of $3,000.

One of the easiest ways you can make a difference is to sign up for the Box Tops website at boxtops4education.com. It’s easy, free and you’ll learn about new ways to help our school earn the extra cash it needs.

Exclusive online benefits:

1. Track our school’s Box Tops earnings.
2. Print money-saving coupons for your favorite Box Tops brands.
3. Enter to win Bonus Box Tops for our school.
4. Make mealtime easier with family-pleasing recipes.

Plus, you can sign up for regular email updates on our school’s progress!

Box Tops offers three easy ways to earn cash for our school through everyday activities like buying groceries, shopping online and purchasing books—all at no additional cost to you.

Clip – Clip Box Tops from hundreds of participating products. Box Tops are worth 10¢ each when our school redeems them from Box Tops for Education. Next collection date is May 21, 2008.

Shop – Shop your favorite online stores at the Box Tops Marketplace. Up to 8% of each qualifying purchase is donated to our school.

Buy books through the Box Tops Book Club – order quality titles from award-winning authors and illustrators throughout the school year. Our school earns one Box Top for every dollar spent, up to $20,000.

To learn more, visit boxtops4education.com.

Thanks for choosing to make a difference for our school with Box Tops!
It was some Enchanted Evening! Thanks to all the participants who made our First Annual Father Daughter Dance a great success!!!

You Rule!

I especially want to thank Committee Members: Lori Jozefiak, Regina Scheppa, Paula Kalous, Kristin Finaldi, Gillian Santoro & Renee Bruekert

Thanks to the Nash PTA. Thanks to Bristol Oaks Country Club for excellent food & Service.

Dana Clark, chair

Got Pictures?

We need ‘em!! Send in your pictures of field trips, class parties, book report presentations, school activities, project based learning events, ...

We can use pictures from all grades for the yearbook! We are desperately in need of 2nd and 4th grade pictures!!!

Questions, call Cindy Landini - 764-1813

Save the Date!

Our first annual Nash Elementary Golf Outing to benefit the playground fund.

Saturday, May 10th
At Bristol Oaks Country Club
12:30 p.m. Shotgun Start
Dinner and Drinks to follow

Watch for a flyer to come home soon.

Original Works Coming to Nash!
Watch for your child’s projects to come home soon.

Hearing Screening for 1st, 2nd, 3rd Grades

Our building is scheduled to conduct Hearing Screenings for 1st, 2nd, and 3rd graders on Tuesday morning, March 11th. Volunteers are needed from 7:50 a.m. to 12:00 noon to assist with the screenings and would need to arrive 30 minutes prior to their scheduled time.

If you would like to help, please contact the school speech therapist, Jill Arturi at jarturi@kusd.edu.

Also, if you do not want your child screened, please notify Julie or Pam in the school office.

The next Bake Sale is Friday, March 14th. 1st graders will be providing the treats.

Nash Choir/Band/Orchestra Concert
Thursday, April 24, 2008 at 6:30 p.m.
In the Nash Gym
OUR REFLECTIONS WINNERS...

### Spring Break 2008

The 2008 Spring Break period will be held from Friday, March 21\textsuperscript{st} to Sunday, March 30\textsuperscript{th}. School will resume Monday, March 31\textsuperscript{st}. We wish everyone a safe and enjoyable holiday break!
