From the PTA Board

We have truly enjoyed serving as your PTA Board this inaugural year and hope that we have served you well. Thank you to everyone: parents, teachers, staff, and community and extended family members for all of your generosity and support throughout the year. From the four of us to all of you, thank you for making our jobs so easy. Together we worked as a team and we should all be proud of what we have accomplished for the school.

Elections were held at last month’s meeting and your PTA Board for the 2008-2009 school year will be:

Elizabeth Daghfal, President
Gillian Santoro, Vice-President
Regina Scheppa, Treasurer
Holly Richards, Secretary

Syndi Vazquez, although not a PTA Board member, has agreed to take on the daunting task of next year’s newsletter.

Congratulations to the new and returning board members. We hope your board has as much fun next year as we did this year. Although for some of us our terms and time at Nash have come to an end, hopefully, the friendships formed will continue to grow. Have a wonderful summer!

Sincerely,

Diann, Elizabeth, Regina and Lori

READY, SET, BUILD....

We are on course to have some great equipment up for our children at the start of the 2008-2009 school year. We are excited about our progress and cannot wait to see our children enjoying the fruits of our labor as it was perfect!

Tentative installation of the first phase of one of the two playgrounds being purchased (K-1 or 2-5) is set for either the weekend of August 23 & 24 or August 30 & 31. Look for more information as the dates approach. Parents’ help will be needed to build the structure.

Information about what is being purchased will be presented at the PTA meeting Tuesday evening, June 3rd. We hope you’ll be there to see the plans!

Sincerely,
Michael & Michelle Polenzani
Playground Committee Chairs
Dear Nash Family,

Thank you so very much for your generosity towards our Playground System initiative. You helped bring in over $2,000 in Playground Pennies, $695 was raised by our Kindergarten and First Grade classes when they bought chances to have a special “date” with a teacher, and the Golf Outing brought in over $7,000! That is a total of approximately $10,000!!! This could not have happened without your help and dedication to our school and our children. We will add the $10,000 to what we already have in our fund and hope to have part of our Playground System installed by the end of the summer. Thank you again for all of your support. We look forward to an even bigger and better playground event next year as we hope to have another Golf Outing in spring of 2009.

Sincerely,
The 2008 Nash Golf Outing Committee

WOW, Nash received 63 new books this year! Thank you to all Nash families that donated books to the library through the Birthday Book Club. I would like to give a special thank you to Mrs. Klappa for all her hard work; the program would not have been a success without her help. Look for more opportunities to donate books next school year. - Joan Boffer, Chairperson

The response for volunteers was overwhelming! But since there is only so much everyone can eat, we’d like to also thank all those who volunteered, but whose services were not needed for this occasion...

A THANK YOU FROM MRS. VANBLARCOM

THANK YOU, THANK YOU, THANK YOU...

It has been a very exciting year in the art room. I have enjoyed meeting everyone, and think that our Nash children and their families are absolutely the best!

The children have been very busy creating art for a number of purposes this year. One of our purposes with every project is to strengthen each student's thinking and problem solving skills, as well as help strengthen the foundations that are created within the classroom curriculums. In addition, several projects were created, matted, and labeled at each grade level this year for our Original Artworks fundraiser. Earth Day was celebrated by creating inspirational and motivational designs on grocery bags in the art room, as well as the class rooms. Volcanoes were built and erupted, dinosaurs were etched into tin, and handmade paper masks were created out of paper that we recycled from our scrap box. The list is endless!

The children worked so hard, and did such outstanding work that it was very hard to choose the artwork that was to be displayed in 2 of our district art shows. The first was our District Wide Student Art Exhibit, held from April 4th-April 27th, at the Anderson Arts Center. Those who had work displayed were: Tara S, Ryan C, Emma D, Nai H, Brendan J, Abigail W, Josh B, Madeline F, Jamie W, Ashley M, Angelica G, Connor R, Analis G, Shyanne S, Josh D, Brayan D, and Blake G. These children also received ribbons and certificates of recognition. In addition to the art show, each art teacher in the district was to choose one of these works from their school to go down to our Educational Support Center. Each staff member there had the chance to vote for their favorite piece. Out of over 40 pieces, the top ones were taken and photographed. They will appear in the official KUSD calendar next fall. Congratulations to Nai H, a 5th grader here at Nash who won that honor!

On July 20th, the district will have its annual Festival of Arts and Flowers at the Lincoln Park Flower Gardens, from noon until 6:00 p.m. Nash will have several works on display there. Those students who have work that has been chosen to go on display are: Gillian G, Mallory S, Charlotte C, Kyle A, Maritza B, Ashley M, Hailey T, Morgan F, Megan L, Kristine T, Ariana V, Jasmine P, Victoria S, Madeline F, Jamie W, Monique G, Ethan G, and Anna M.

It has been such a wonderful, exciting, and rewarding year! I am so proud, and blessed to be a part of the Nash family. The children here have a remarkable amount of talent, as well as such enthusiasm to learn. They are amazing! Thank you everyone for being so supportive of the art program, and for making me feel so welcome here! You are the greatest!

Mrs. VanBlarcom :)

P.S. Watch for the movie, HOLIDAY IN THE RAIN FOREST, featuring some of our Nash 4th and 5th graders, on channel 20 sometime this summer. Mrs. Merow and I have worked hard with our combined Project Based Learning groups this spring to put this movie together. Because of the time constraints, we did not have the chance to practice a lot or re-do anything, so you are basically seeing it as though it were shot live. We thought the children rose well to this huge challenge, and we all learned so much from this adventure!
**AGAIN, AGAIN, AND AGAIN...**

WOW!!!!!! What a fantastic inaugural year for Nash Elementary School. I’m so proud to be a part of a school community that embraces diversity and teaches moral values such as Kindness, Respect and Hard Work. This first year is just the start of what is to come. HAVE A GREAT SUMMER NASH FAMILY.

Mr. Dummer  
Physical Education Teacher  
Charles Nash Elementary  
Office (925-1529)

I would like to thank the Nash family for a fabulous 1st year! I love coming to school everyday and seeing all of the smiling faces. I am so excited to start another year with everyone here. Have a fun summer!

Mrs. Masi

**Gracias**

The reality of the completion of the school year at Charles W. Nash Elementary is at hand. The school year passed by at an incredible rate. During this time period the students, faculty and parents experienced the grand opening of a newly constructed educational facility and the challenges which accompany this endeavor. I must proclaim that this new transition was completed with great ease and cooperation.

I would like to express my sincere thanks and gratitude to the many volunteers, chaperones, and supportive parents for all of their assistance in making this a very exciting and memorable school year. I wish all of the best successes to our first fifth grade graduating class from Nash Elementary.

Sincerely,

Mr. Folland
