

Dear Mothers of our Nash sons,

I am happy to announce the details for the 2018 Mother – Son Event. We will be attending the Milwaukee Brewer game versus the New York Mets on Friday, May 25th. Game time is at 7:10pm. This does happen to be Memorial Day weekend, but in the poll that was conducted on Facebook, this date was the most popular choice by a 2 to 1 margin over the next most popular date. Ticket prices will be \$40 per person, but does include a buffet meal explained below.

This is also a promotional night at Miller Park with a giveaway of a baseball hat to the first 20,000 fans through the gates.

We will be seated in the Johnsonville Party Deck in the Club Level behind the loge bleachers in Right Field, Sections 302 – 305.

The benefits of being in the party deck include a buffet meal, unlimited soft drinks, and 2 beer tickets for each adult. Please note that kids will also receive 2 beer tickets as well, but wrist bands will be given and must be worn by the adult members to receive any beer. I have been told that adults may use the kids' drink tickets. But please keep in mind that this is a school event and our actions are reflective of ourselves, our community, and our school. Please drink responsibly.

For any moms that are unable to attend, any other adult, male or female, that you choose may accompany your son to this event. Our goal is to be inclusive of all so that no one is left out. However, there can be only one adult accompanying any one student. Of course there can be more than one son attending the event with any one adult. Since this is supposed to be a Nash Mother-Son event, only sons who are students at Nash Elementary are allowed to attend (no older or younger, or female siblings).

We only have a limited number of seats available, 100, but may be able to purchase up to 115 total. If we fill up, we can get additional seats in another section, but this will only include the ticket for the game (no buffet or drinks) in the alternate section and of course the price would be lower than the \$40. It will be first come, first served as far as who gets the initial 100 tickets we have reserved and there will not be any effort made to seat people together. However, multiple moms may sign up all participants on a single order form, but full payment must be made for all tickets and all information including the names of the adults, children, children's homeroom teachers, and contact information including a phone number and email address in case I need to contact you before the event.

I am also trying to arrange school bus transportation for anyone that might be interested, but this would be an additional cost of ~\$10 per person. Bus capacity is limited to 44 persons per bus, so any bus rental will be dependent on whether we gather enough riders to make it worth the expense. Keep in mind that parking at Miller Park, should you choose to drive, will be \$12 per car on game day. If you choose not to ride on our rented bus, transportation to and from the game and parking will be your responsibility. There are other transportation options available including Park 'n Rides.

Please email me directly at dmikolajczak@uline.com with any questions you may have.
