FROM THE PRESIDENT

Welcome Back!

For those of you who dreamed for YEARS about a school being built in our neighborhood–Can you believe we're starting our THIRD YEAR?

And what successes we can show in such a short time.

The most visual is our brand-new Kindergarten-1st Grade playground equipment, purchased last year with the incredible generosity of our Nash family and community. Thank you to all who spent hours installing it (most of them drenched and chilly.) This school year, the playground committee will focus on raising money for the final half of the 2nd-5th grade equipment. Look for more info throughout the year.

Through the past two years, we have seen our students make incredible strides academically. What an incredible feeling it is to watch children reading a book, then have them realize what level they are holding and say, “Wow! I didn’t know I could read that well!” As the PTA looks to continue supporting the school in this growth, we will again be offering Reading Nights, Accelerated Reader incentives, Chat-n-Chew evenings for curriculum nights, and special events and contests like Reflections, the Science Fair, and the Black History Bee.

However, we would not be looking at so many successes if it were not for the many who work and volunteer tirelessly for our students. I thank all of you who have given and will continue to give time and energy to making these elementary years extraordinary for our Nash children.

In that vein, I want to take a moment to thank a special group last year whose efforts were seen after the last newsletter. The 5th Grade Celebration group created an amazing night for our students moving on to middle school. With the theme of "Are You Smarter than Our 5th Graders," the committee did a phenomenal job of centering around the students, making it a night they will always remember, a night they thoroughly enjoyed. I had the honor of working on just a small part of the evening, and I was impressed with how creative, inventive, and easy to work with these committee ladies were. Thank you, and we’re sorry we couldn’t get that in print last year.

Finally a huge welcome to the many new staff members and parents who have joined our Nash family. We are pleased to have you and look forward to getting to know you. Please feel free to contact me or any of the board members if you have any questions or suggestions.

One last shout out to our brand new Dean of Students, Lacy Lindstrom. We loved you before, and we’re so glad to have you working with us in this capacity. You have already made a tremendous impact on our school in your new role.

As we begin this 3rd year, continuing with the incredible work already established, I would like to remind you that at Nash, the PTA presidency is not a “power position,” but a service position. I am here to serve you. So whether you are new and need a tour of the school, you've been around and you have ideas, or you're a teacher and you need some support, please call, email, or grab me in the halls. I am truly here to help!

Sincerely,
Elizabeth Daghfal
Nash PTA President

Morning Drop Off & Afternoon Pick Up Procedures

Our school is comprised of approximately 625 students. Over 90% of these students walk or are driven to school by their parents. Thus, it is of paramount importance that we create and maintain safe, orderly systems for arrival and dismissal. Remaining safe means first we must all display patience. One should not expect that the process of dropping children off or picking them up will take less than 10 minutes. Some days it will take less time, while on other days it will take longer.

For the 2009-2010 school year, we have created a new system that will allow the processes of dropping off and picking up students to occur in the most efficient and safe manner possible. We are asking ALL PARENTS to please comply with our new system so that it will optimally function as it was designed.

Morning drop off procedures will work as follows:

• All vehicles will enter the SOUTH DRIVEWAY. An attendant standing on the sidewalk will allow approximately 25 vehicles to enter at once. The first vehicle in line will lead a row of approximately 25 vehicles along the right lane until it stops at the designated spot approximately 60 feet past our main entrance (near the first grade classroom windows). The row of 25 cars will simultaneously release their children onto the sidewalk in front of the school with the assistance of Safety Patrols. Once all 25 vehicles have released their children and are proceeding in the same order to the West exit driveway, the attendant will allow the next group of 25 vehicles into the circular drive. To make this system work efficiently, you must do the following.

  - Upon entering the South Driveway, please make sure your children have all school items in hand and are ready to exit the vehicle.
  - Please wrap up all necessary conversations before entering the driveway so that the children and you are prepared to say goodbye and have them efficiently exit the vehicle.
  - Continue proceeding forward until you are asked to stop. Pay attention to Stop and Go signs being held by Parent and Student Safety Patrols. It is imperative that we use the line of 25 cars stay together and no single car stops before reaching the desired drop-off point. We realize that students may need to walk 30 to 50 extra yards to reach their line up areas. But, this will be necessary in order for all of us to enjoy a safer, more efficient system.
  - Be sure to have all students exit the passenger side of the vehicle directly onto the sidewalk. NEVER ALLOW STUDENTS TO EXIT VEHICLES ANYWHERE OTHER THAN DIRECTLY ONTO THE SIDEWALK. Safety Patrols will be on hand to assist students if necessary. Drivers should not exit vehicles to walk around and open doors for students. (If you would like to walk your child to their line-up spot please park in the parking lot and proceed to a crosswalk.)
  - Do not attempt to pass the car in front of you. It is essential that the group of 25 vehicles enter and exit in the exact same order.
  - ALWAYS DRIVE SLOWLY when proceeding through the circular drive and parking lot areas.
  - NO STUDENTS SHOULD BE DROPPED OFF IN THE NORTH CIRCULAR DRIVE OR PARKING LOT AREAS.
  - Please remember our children are constantly watching, listening, and learning from us. Therefore, it is imperative that when addressing each other we display the same virtues we wish to instill in them. We sincerely appreciate you doing your best to speak to Parent Patrols and Student Safety Patrols in a kind, respectful manner. Should you have a question or a concern, please visit or call our main office and we will be happy to do our best to find solutions together.

Afternoon pick-up procedures will work as follows:

• South Side of the Building - Vehicles may do one of the following:

  1) Park in the South Parking Lot, exit your vehicle, greet your child at a designated spot outside of the school, and return together to your vehicle via the main entrance or west crosswalk.

  OR

  2) Park in the front circular drive next to the curb, REMAIN IN YOUR VEHICLE, and wait for your child to enter your vehicle through the passenger (sidewalk) side of the car.

• North Side of the Building - Vehicles may do one of the following:

  1) Park next to the curb on the school side of 67th Street, exit your vehicle, greet your child at a designated spot outside of the school, and return together to your vehicle.

  OR

  2) Park next to the curb on the school side of 67th Street, remain in your vehicle, and have your child walk directly to your vehicle and enter through the passenger doors on the sidewalk side of the vehicle.

  OR

  3) Park next to the curb on the school side of 67th Street and wait for the busses to exit the North Circular Drive. Then, when vehicles are allowed to enter, proceed into the North Circular Drive, park next to the curb, and have your child enter the vehicle from the passenger (sidewalk) side of the vehicle.
WELCOME TO NASH ELEMENTARY SCHOOL!

Dear Nash Family,

Welcome to the 2009-2010 school year! It is with utmost excitement and joy that we begin our third year together. To date, the level cooperation exhibited among our staff members and parents has been nothing short of tremendous. We all understand for our children to maximize their potential, we must continue working together. There is no doubt that the success we have enjoyed has been largely due to the support we've received from our parents and extended family members.

You can be assured that our Nash Family will continue to be committed to treating ALL members of our school family with kindness and respect. And, together we will lead our children towards maximizing their potential, growing in self-confidence, and becoming caring, contributing citizens.

Please know that our times of operation are the same as last year: 8:20 a.m. to 3:10 p.m. on Mondays, Tuesdays, Thursdays, and Fridays; 8:20 a.m. to 1:55 p.m. on Wednesdays.

If you should have any questions as the year progresses, please do not hesitate to contact the school. I am honored to serve as principal of this great school family, and look forward to continuing our journey together!

Sincerely,

Martin J. Pitts - Principal

Dogs on School Property

We realize that many of our Nash School Family Members enjoy having their dogs join them for walks to and from school when dropping off or picking up students. While we have not established any school policies prohibiting members of our school family from doing this, there are a number of expectations we have established so that all of our students, parents, and staff members may remain safe and feel comfortable. They are as follows:

- Keep your dog on a leash that remains no longer than 3 feet from your side.
- Always have necessary items for cleaning dog waste.
- We have designated specific areas on both the East and West sides of our building within which dogs should remain.
  - West Side: The grass area west of the Kindergarten / First Grade playground fence
  - East Side: The grass area between our Playground Equipment and the Tennis Courts
- Always avoid allowing children other than your own to play with or pet your dog.
- Always refrain from bringing your dog within close proximity to groups of children.

Please know that we cannot discriminate against certain breeds of dogs. We must treat our owners of poodles and pit bulls with the same degree of fairness and respect. Thank you!
MEDICATIONS

As the new school year begins, please remember that any medication that need to be administered to your child during the school day must be brought to school in accordance with the following procedures.

- All **nonprescription** medication **must** be in the original bottle or package with the child's name clearly marked on the container. All **prescription** medication **must** be in the original pharmacy container with correct information on the label. If half tablets are to be given, the parent will be responsible for sending the medication in that form.

- All **medication**, prescription or nonprescription, **must** be accompanied by a "Medical Authorization Form" with parent or guardian's signature. **Prescription** medications will also require a physician's signature. Medications will only be administered at school the specified times noted on the form. Any changes in dose, time or medication will require a new form, and new container with the corrected pharmacy label.

- The above rules still apply to any medication a student may need to carry with them, such as Epi-pens or inhalers. **Both** the medication and the medication administration form **must** be checked in at the office. The physician **must** check "YES" on the form stating that the "student may carry medication for emergency purposes."

A copy of the medical authorization form can be obtained at the front office. Medication authorization forms **must** be renewed annually. The form and medication may be brought to school in the fall prior to the first day of class. All medication **must** be brought to school by an adult. Students may not transport medication themselves.

Thank you for your cooperation.

MARKET DAYS ARE BACK!

As our thoughts turn to fall and the start of a new year, I wanted to take a moment to remind you about an important program at Nash School. Market Day is a unique and valuable fundraiser, last year contributing more than $1,700.00.

Why is Market Day so important to our PTA organization?

- It’s the only fundraiser that offers high quality and nutritious food at competitive prices on a monthly basis.
- By doing your grocery shopping each month with Market Day, you are serving your family delicious, wholesome meals while helping us raise funds at the same time.
- Market Day requires no door-to-door selling, so it’s simple and easy to contribute.
- With over 160 foods to choose from, Market Day offers a wide variety of products including low-fat, low-calorie and all natural options.
- We rely on Market Day to help fund the needs of our PTA organization.

It’s easy to participate – simply order online at www.marketday.com or return the order form to school by Monday, September 21, 2009. The next Market Day pick-up is on Thursday, September 24, 2009, from 3:00-4:00pm.

I encourage you to order from Market Day. They are a trusted company and with every purchase you are helping our organization. We appreciate your support of this important fundraiser at our school.

For more information about ordering from Market Day or becoming a volunteer, please contact our chairperson, Kristina Dean, at 697-1483.

Sincerely yours,
Elizabeth Daighal - Nash PTA President

◆ YEARBOOK
Help us avoid the scramble later and start submitting pictures now! Snap away at the first day of school, reading nights, open gym, field trips, classroom activities. We want it all - and lots of it!! Submit hard copies or photos on CD to the PTA box labeled "Yearbook Photos." Be sure to include your name, child’s name, and teacher if you'd like items returned to you.

◆ REFLECTIONS
This year’s theme: "Beauty is..." What makes you think, "Boy, that's BEAUTIFUL?" Now, think of a way to express that in any or all of 6 different categories: visual arts, photography, literature, dance, musical composition, or movie/film making. Watch for more information to be sent home this fall with all the details about this creative and rewarding program.

PLAYGROUND
On Friday, August 21, 2009, the K-1 playground equipment was installed. The names listed below are the volunteers that gave an entire day and for some another day and another, to get the equipment installed before school started. Thank you to everyone for all your hard work. It absolutely would not have happened without you. The playground committee is a very dedicated group of parents. They are always willing to do whatever it takes to complete an objective- whether that be fundraising, organizing an event or installing equipment. We would also like to give special thanks to the Nash staff that were on hand. We know you had a million other things you could have been doing to get ready for school and we are so thankful you chose to spend your time with us.

Another note of thanks goes to Nick N Willy's for their continued support.

Marty Pitts   Lacy Lindstrom   Dave Dummer   Joe Kuryanowicz
Dave Bogdala  Ed Mayfield    Jeff Tinney     Ben Stewart
Cal Becker    Holly Richards  Elizabeth Daghfal Mike Jaworski

Featured Teachers...

Mrs. Menke
1st Grade

I grew up in Elm Grove, WI (suburb of Milwaukee). I earned my BSE in Early Childhood Education from UW-Whitewater and my Masters in Reading and Literacy from Walden University. Besides teaching, I have been a legal secretary and a secretary for private detectives. If I couldn't teach, I'd probably like to be an artist (after some painting and drawing classes). Three material possessions I wouldn't want to be without: our lake cottage in central WI, my books, and my computer. I would recommend that all children read The Very Hungry Caterpillar by Eric Carle and Lilly's Purple Purse by Kevin Henkes. My favorite special treat is Kopp's frozen custard - vanilla or chocolate, but mint is the best!

Mrs. Gorr
4th Grade

I grew up in Kenosha and attended KUSD public schools. I attended UW-Parkside, then earned my BS from Carthage College and my Masters from Nova Southeastern University. Besides teaching, I have worked in an ice cream shop, a fabric store and as a dental assistant. If I couldn't teach, I would be a dental assistant or hygienist. Three material possessions I wouldn't want to be without: my scrapbooking stuff, chocolate, and the Life Time Movie Network! I recommend girls read any of the American Girl books and boys read any of the Matt Christopher books. My favorite special treat is Puppy Chow or a Reese's Peanut Butter Cup.

Mrs. Sack
Kindergarten

I grew up in Peoria, Illinois. I earned my BS in Elementary Education at Iowa State university and my MS in Elementary Reading from Illinois State University. Besides teaching I have been a camp counselor and if I couldn't teach I'd love to me a taste-tester for Hershey's Chocolate. Three material possessions I wouldn't want to be without: a television (cheesy reality shows), my computer (don't know how I grew up without one) and mascara. Eric Carle and Ezra Jack Keats are two authors I would recommend to young readers. I like to treat myself with anything chocolate!
Cub Scouting

Nash Cub Scout Pack 567

If you are a boy in first grade through fifth grade—or you’re 7 to 10 years old then Cub Scouting is for you. It’s for your family, too!

Why join Cub Scouts?
Parents of young boys face a lot of choices in after-school activities. Boys want to have fun, while parents want them to learn positive values and skills that will last a lifetime. If your boy is about to enter first through fifth grade, Cub Scouting may be exactly what you are both looking for. Here are some things to consider:

For every 100 boys who join Scouting, studies indicate:
- Rarely will one be brought before the juvenile court system.
- 4 will become Eagle Scouts.
- 12 will have their first contact with a church and 1 will enter the clergy.
- 18 will develop a hobby that will last through their adult life.
- 8 will enter a vocation that was learned through the Scouting program.
- 1 will use his Scouting skills to save his own life.
- 1 will use his Scouting skills to save the life of another person.

And a recent nation-wide survey of high schools revealed:
- 85% of student council presidents were Scouts.
- 89% of senior class presidents were Scouts.
- 80% of junior class presidents were Scouts.
- 75% of school publication editors were Scouts.
- 71% of football captains were Scouts.
