FROM THE PRESIDENT

And we’re off to another great year. With October dawning, we find ourselves getting in the full swing of the school schedule.

A HUGE Thank you to all who’ve been so cooperative with the new drop-off/pick-up procedure. When we start experiencing some of Wisconsin’s beautiful winter weather, this new system should help tremendously in getting children quickly and safely to their class lines or inside the building. We’d love to have a few more parents out there helping so no one has to be out all the time. It’s an incredible way to start the day, especially with the smiles, good mornings, and waves that are thrown your way. If you have a morning free, even just once a week, please contact our dean, Lacy Lindstrom, and let her know.

This past month, we had a great Picture Day. Thank you to Linda Bogdala and all who volunteered to make sure everything went smoothly. Please return your picture proofs whether or not you are buying. If your child was absent, look for more info later on Make-up Day.

The PTA fundraiser kick-off had students very excited. Monies raised help provide many of the wonderful experiences, programs, and equipment we’ve all come to love at Nash. At a time when we know you have to choose wisely where you spend money, we thank you for investing in your student’s education.

This month, we will also begin Bake Sales (every item is only 25 cents!), Popcorn Day (free of charge), Reflections, (our PTA Creative Arts Program), and Project Based Learning Groups (PBL). As the year gets busier, remember we always love volunteers. If you hear about something that you’d like to get involved in, PLEASE contact me or one of the other board members. Your child will benefit tremendously when you can be involved in their school, even for just one event.

As I look out at leaves just beginning to change, I realize how blessed I am to be a part of this community and our school family. With so much talent, cultural diversity, and unique abilities, we are a rich school, indeed. Thank you for being here with us. We hope to see you at our next PTA meeting, Oct. 6th @ 6:30 in the school library.

Until then, enjoy the beginning of fall!

Elizabeth Daighfal, PTA President

**HEALTHY HABITS**

**TAKE CARE: COVER COUGHS AND SNEEZES - KEEP HANDS CLEAN**

Healthy habits can protect you and your children from getting germs or spreading germs at home, work and school. Simple actions can stop germs and prevent illness.

**Cover your mouth and nose:** Use a tissue when you cough or sneeze and drop it in the trash. If you don’t have a tissue, cough and sneeze into your sleeve.

**Clean your hands often:** Wash your hands with soap and water every time you cough or sneeze. Alcohol-based gels also work well.

**Remind your children to practice healthy habits, too:** Germs that cause colds, coughs, flu, and pneumonia can spread easily.

**Watch your child for symptoms of illness:** Keep children with a fever home from school.

Healthy habits stop germs. At home, work and school.

**Full Senate Vote on PIRC Funding**

**Contact Your Senators Today! Help Increase Funding for Parental Involvement**

The full Senate is expected to vote on its Fiscal Year (FY) 2010 funding bill for important programs housed under the departments of Labor, Health and Human Services, and Education. Now is the time to ask your Senators to increase funding for Parental Information and Resource Centers (PIRCs). On July 30, the Senate appropriators voted to provide level funding for the PIRCs at $39.25 million. On July 24, the U.S. House of Representatives passed their version of an FY 2010 appropriations bill, which also provided level funding for PIRCs. This is far short of the $86 million PIRCs need annually to effectively provide statewide leadership, capacity-building, technical assistance, training and support in the implementation of parent involvement programs, policies, and activities that support student achievement.

PIRC funding is currently the only source of federal funding intended exclusively to help schools and communities meet the parental involvement requirements mandated in the Elementary and Secondary Education Act - No Child Left Behind (ESEA-NCLB). PIRCs provide parents, organizations, schools, districts, and state educational agencies with comprehensive training, information, and support for parent involvement from early childhood through adolescence. State PIRCs and PTAs have also leveraged their resources and capacity to increase statewide family engagement efforts through training parent liaisons, participating and leading education summits, and working with state and local education agencies to support parental involvement in schools.

Contact your Senators TODAY and ask for an increase PIRC funding to $86 million within the FY 2010 appropriations bill.

Accelerated Reader and Family Reading Night Kick-Off

When: Thursday, October 1st - 5:30-7:00pm  
Where: Nash School Library  
Who: Everyone!!! (siblings welcome)  
Why: Because Reading Rocks! There will be door prizes, popcorn, and arts & crafts for the whole family. Students can take AR quizzes, enjoy some reading time and listen to stories being read aloud.

What is Accelerated Reader?

Accelerated Reader (A.R.) is a computer program available to student of grades 2-5. It offers children the opportunity to practice their reading skills (decoding and comprehension) with books they can read independently.

Based on the STAR reading test and other classroom assessments, teachers will assign a reading level (or range of reading levels). Students will be able to choose library books based on their individual level.

After a student reads a book, they will be given the opportunity to take and A.R. quiz on the computer. This quiz will consist of multiple-choice questions, based on comprehension. Students will earn A.R. points for tests passed. It is very important that children read their books carefully! In order to earn points that will be used toward A.R. incentives, we are expecting that 2nd and 3rd graders maintain an 85% average. Students in 4th and 5th grad are expected to maintain a 90% average on quizzes taken.

After your child has taken a quiz, a TOPS report will be printed for the student to take home. This report will keep parents up to date on student average and points earned.

If you have any questions about our Accelerated Reader program, please contact Andrea Powers at apowers@kUSD.edu or 359-3519.

BECAUSE ACCIDENTS HAPPEN...
The front office is in need of extra bottoms (jeans, sweatpants, & underwear) for students to change into when necessary. We could use a variety of sizes (boys & girls). So if you have any old clothes (in decent condition), please consider donating them to the school.

POPCORN DAYS ARE BACK
Starting October 2nd, one Friday each month every student will receive a bag of popcorn (compliments of the PTA). A big THANKS goes out once again to Donald Lowe (& all of his helpers) for the hours of popping they donate.

The kids really love this special treat!

(Please advise your child’s teacher if they cannot have popcorn due to an allergy or for any other reason.)

STUDENT FEES
By now, you have received the payment envelope for school fees. Elementary school fees are $43.00 for students whose classes do not subscribe to Scholastic News and $47.00 for those who receive Scholastic News. You may submit your payment in one of the following ways:

* Place a check, money order, or cash in the envelope we provided you and send it to school with your child.

* Call Denise Hoff at the Educational Support Center (359-6342) to make a credit card payment over the phone.

* Go to the Educational Support Center at 3600 52nd Street to make a credit card payment in person.

* Stop in to Nash and make a check, money order, or cash payment.

Honk if you like to read!

When Nash students began the school year, they noticed an addition to our library. No, not more books as one might expect, but a bright and shiny Nash Metropolitan! After a visit to our school, the owner of this antique car, Vince Ruffolo, decided to donate it to the school rather than to a museum as he had originally planned.

First the gas tank and parts of the engine were removed for safety purposes. Then the center door jambs were removed from the gym and library doors so it could be pushed into place. For reasons you can well imagine, the horn was disconnected and students are now permitted to sit in the car during library time.

On September 10, the school held an assembly to thank Mr. Ruffolo for his generous donation. Students were taught who Charles W. Nash was, his remarkable accomplishments and the contributions he made to Kenosha. Special guests in attendance included descendants of Charles W. Nash: grandson, Jim Weary, and great-grandson, Kevin O’Connell.

What a fun and truly unique gift Mr. Ruffolo has provided to our fun and truly unique school!
REFLECTIONS

Close your eyes for a minute.
Granted, that’s hard to do when you’re trying to read a newsletter, but close your eyes for a minute and think. What comes to mind when you think of the word Beauty?

Close them again. What does Beauty Look like? Sound like?
How about Dance it? or Sing it?

How would you Draw it? Paint it? Photograph it?
What words would you Write about it?

Now, close them one more time.
I know. You’re trying to figure out how you’re ever going to finish this article if you can’t open your eyes, but one more time.
Close them.

This time, think of a child. A kindergartner. 3rd grader. 5th grader.
What is the one thing they always want? (Other than junk food & sweets, of course.)

They want to be listened to.

Whether a 5-yr-old retelling an entire story from class, a 7-yr-old giving you the play by play of some discussion that their friends had, or a 10-yr-old claiming you never listen, they are dying to tell all the thoughts that run through their head.
One way or another, children find a way to express themselves. Whether through the clothes they wear or the music they listen to, the words they say or the words they won’t say, they express themselves.

The National PTA, for 40 years, has given students Pre-K through 12th grade a safe, exciting, creative way of doing just that. And with a PTA in our school, every one of our students is eligible to participate. Reflections, a PTA Creative Arts Program, encourages students to express themselves through six different categories:

Visual Arts, Photography, Literature, Musical Composition, Dance Choreography, and Movie/Film Making,
using a different student-created theme each year. (Students can turn in theme ideas each October, with the chance of winning $100 if the theme is chosen by the national judges.) Projects can be recognized locally, state-wide, and nationally with prizes and awards.

This year’s theme, if you hadn’t guessed it, will be “Beauty Is...”

Your child will soon learn about the program in art class, and an interest flyer will come home in your Wednesday folder. Help your child choose what type of project he or she would like to enter, and we’ll send you rules for those categories. Projects will be due in November.

Every student who enters will be recognized at a party in January for something wonderful about the work created. This program is an incredible opportunity for our school to celebrate students’ abilities and individuality. We can’t wait to see what your child will create.

Questions? Like to get involved in planning the party?
Contact Elizabeth Daghfal, (942-6260) edaghfal@sbcglobal.net

Please help us take pictures at upcoming school activities (or day-to-day life at Nash) and turn them in to the YEARBOOK committee.
Submit pictures (hard copies or on CD) to the PTA mailbox.
Mark them 'Yearbook' and include your name, your child’s name and teacher so we can return them to you. The event, grade level/classroom would be helpful to have but is not a necessity.
THANK YOU!

ARTIST OF THE MONTH

Congratulations to fourth grader Logan Wiesztort, Nash Elementary School’s "Artist of the Month" for October. Logan and his artwork will be featured on cable channel 20 throughout the month of October. Way to go, Logan!
MARKET DAY

We’d like to thank everyone who supported our September Market Day sale. We had 25 Market Day orders with a profit of $165.08. Thank you to all who placed orders and/or volunteered with our pick-up.

Our next Market Day pick-up is October 22nd from 3:00 – 4:00 PM in the cafeteria. If you cannot pick-up by 4:00 on that day, please pre-pay and we will be happy to put your order in the freezer located in the teachers' lounge. Any unpaid orders not picked up by 4:00 on our sale date will be returned to Market Day. Order forms will be due by Monday October 19th at noon (online orders due by 11:00 PM).

Anyone who places a minimum order of $40 in two or more months from September – November and places an additional order of $40 in December receives a FREE lunch tote at the December sale pick-up. In addition, any October order of $40 or more will also get a free 1 lb. package of ground beef in your October order. Lastly, anyone who purchases a $90 order in October on marketday.com and enters PROMO CODE: OCTFREE will receive a free 1 lb. package of large shrimp in their October order.

If you have not already done so, please check out www.marketday.com, and be sure to click on 'web clearance' for some great web-only deals. Remember, you do not have to pay online – you can still pay at pick-up.

If you have any questions/concerns about Market Day, please contact Kristina Dean at 697-1483 or kb dean@sbcglobal.net

Fall Fundraiser

Don't forget that orders are due on Tuesday, October 6, 2009. ALL orders must be PRE-PAID -- money MUST be submitted with your order forms.

Pick-up is scheduled for Tuesday, November 17, 2009. Watch for information to come home regarding pick-up times.

Thank you for your support!
BAKE SALE!!

It’s time for our very popular bake sales! This is a fun event for the children and the proceeds help support your school’s PTA which in turn helps the school. We will be charging 25¢ for each item. Following is the schedule for the current school year:

Friday, October 23  Grade 5
Friday, November 20  Grade 4
Friday, January 22  Grade 3
Friday, February 19  Grade 2
Friday, March 26  Grade 1
Friday, April 30  Kindergarten

Please mark these dates on your calendars. Reminders will also be sent home before each bake sale. The grade level indicated is the grade responsible for bringing the treats in on the scheduled day. For example, the 5th graders are responsible for bringing treats in to be sold on our first bake sale Friday, October 23.

Additionally, please be aware that we can only accept home-made treats if they are individually packaged and labeled with the ingredients. Many of our students have peanut and other serious food allergies, so in the interest of safety, home-made items will not be sold unless the ingredient list is provided. One master ingredient list attached to the container or plate the item is brought in on is acceptable. Please label containers with your child’s name and room number so it can be returned.

Parents of children with food allergies, please make sure your child and his/her teacher knows what foods are acceptable. If there are grave concerns as to the foods chosen, please send a snack with your child on bake sale days. This will ensure your child is not excluded.

SUGGESTION LIST:

Individually wrapped bags of chips, pretzels, popcorn  Wrapped Rice Krispie Treats
Wrapped Granola or Cereal Bars  Fruit Roll-Ups or Fruit Snacks
Pudding or Fruit Cups (plastic spoons would be appreciated)  Cheez-n-Cracker packs
Hostess or Little Debbie products  Cookies, cupcakes, brownies
Individual boxes of raisins and other healthy snacks  Apples or oranges

Please send bake sale items to school on the morning of your child’s assigned date.

If you have any questions, please call Tamara Fink at 997-4690.

Thank you.
The Kenosha Police Department’s **Neighborhood Watch Program** is one of the most effective and least costly ways to prevent crime and reduce fear in our community. Neighborhood Watch fights the isolation that crime both creates and feeds upon. It forges bonds among area residents, helps reduce burglaries and robberies, and improves relations between police and the community.

**Why start or join a Neighborhood Watch?**

- **IT WORKS!** Throughout the city, neighborhoods that have a Watch program have enjoyed success with a wide range of problems and offenses.

- Today’s transient society produces communities that are less personal. Many families have two working parents and children involved in many activities that keep them away from home. An empty house in a neighborhood where none of the neighbors know the owner is a prime target for burglary and other crimes.

- Neighborhood Watch also helps build pride and serves as a springboard for efforts that address other community concerns.

**Who can be involved?**

Any community resident can join - young and old, single and married, renter and homeowner. Even the busiest of people can belong to a Neighborhood Watch - they, too, can keep an eye out for neighbors as they come and go.

**What does a Neighborhood Watch do?**

A Neighborhood Watch is simply neighbors helping neighbors while at the same time helping the police. The participants are extra eyes and ears for reporting the crime and assisting each other to make their neighborhoods a safer place to live. Members meet their neighbors, learn how to make their homes more secure, watch out for each other and the neighborhood, and report activity that raises their suspicion to the police.

**Starting a Neighborhood Watch is easy!**

A motivated individual, a few concerned residents or a community organization can spearhead the efforts.

**DON'T FORGET CURFEW:**
For individuals under the age of 17:
- 10:30pm - Sunday-Thursday
- 12:00am - Friday & Saturday

Don't hesitate to contact the Kenosha Police Department's non-emergency number 262-656-1234 to report any suspicious behavior.

Featured Teachers...

Mr. LaLonde
5th Grade
I grew up in Kenosha and earned my degree from the UW-Parkside. Besides teaching, I have worked as a valet at Dairyland Greyhound Park and in gang prevention for the Kenosha Department of Human Services. Three material possessions I wouldn't want to be without: my computer, my phone, and my ipod. I would recommend that young readers check out Skeleton Man by Joseph Bruchac and The Bad Beginning by Lemony Snicket. A special treat I like to have is nachos and cheese - but don't forget the jalapeno peppers!

Ms. Host
2nd Grade
I moved a lot as a child and grew up in Ohio, Pennsylvania, New Jersey, and Wisconsin. I earned my degree from UW-Madison. Besides teaching, I have worked in after-school daycare, as a nanny, a pharmacy technician, a cashier, a telephone surveyor and a reading tutor. Now I can't imagine doing anything but teaching. Three material possessions I wouldn't want to be without: my phone (to keep in touch with loved ones far away), my ipod (I love listening to music), and tons of photographs (to reminisce). I recommend The Dot by Peter H. Reynolds and The Giving Tree by Shel Silverstein to both children and adults! I like to treat myself to a cup of coffee with something sweet - especially love anything with pumpkin!

Mrs. McGonagle
3rd Grade
I grew up in Kenosha and earned my degree from Marquette University. I have also worked as a Certified Nursing Assistant, in a dental clinic and as a dorm secretary. If I weren't teaching, I'd probably be a nurse. Three material possessions I wouldn't want to be without: my cell phone, my computer and my car. For young readers, I recommend Where The Wild Things Are and any books by Laura Ingalls Wilder. I like to treat myself to any 'flavored' coffee and dark chocolate!

Mrs. VanBlaricom
Art
I grew up in Madison and earned my degree from UW-Madison. I was a waitress at Perkins during high school and college. If I weren't teaching I would find a job that helped others in some way. Three material possessions I wouldn't want to be without: my camera, a soft, warm blanket, and flip flops. I highly recommend everyone read the Cornelia Funke series: InkHeart (if you liked the movie, you'll LOVE the book), InkSpell, and InkDeath. A Culver's mixer with chocolate chip cookie dough and malt flavoring is my special treat!
